Brochure headlines for 1000LaTrobe, Melbourne Docklands, by Woods Bagot architects

[Docklands map]

Plug in to the city, 24 hours. Networking, dining, business and downtime have never worked so closely together.

[CBD skyline]

Invest in your corporate growth. With its good looks and compelling dockside setting, 1000 LaTrobe is Melbourne's slickest address for innovation.

[Artist's rendering of building]

Stand out in business. Experience the grand theatre of award-winning architecture, and set your branding to work on a landmark site.

[Architectural plan]

Speak a universal green language. Never before have vast floors, natural daylight and high technology opened up more business dialogue or creativity.

[Lawn photo]

Let them have space. Attract and retain talent with an open-campus setting, the responsible corporate's way of balancing work, life and health.
